Wine and Philanthropy

A fundraising event at the home of Carole and Frédéric de Senarclens raised a whopping \$16,000 and more for the Pistorio Foundation. Francesca Massone donated wine from her family estate, a Barbera Sant'Emiliano of the Marchesi Incisa della Rocchetta family.

The Pistorio Foundation provides education and primary health care for underprivileged children in developing countries such as Burkina Faso, Tibet (China), Thailand, and Cambodia. Volunteer-operated, it has no overhead costs; all money raised goes directly to projects on the ground. www.pistoriofoundation.org
